

Milan Rifle Club, Inc.

Range Rules

UNIVERSAL RANGE RULES

1. **NO EXPLODING TARGETS ALLOWED ON CLUB PROPERTY.**
2. Alcohol and guns do not mix. Alcohol may be consumed only after the shooters have put their guns away for the rest of the day.
3. **EVERY** shooter must know that every round fired hits it's designed impact area. (No errant rounds)
4. When two or more shooters are shooting on a range at the same time, appoint one as range officer who is then responsible for range procedures and etiquette.
5. **NO** one may go forward of the firing line before the line is declared safe.
6. **NO** firearms may be handled in any manner at or behind the firing line when anyone is forward of the firing line.
7. Cease fire may be called by anyone if an unsafe condition exists.
8. Scheduled matches, practices, range maintenance and mowing take precedence over shooting. When work is being done, no shooting is allowed on that range.
9. Children must be kept quiet and under control, they must be kept away from ranges that are in use, unless they are shooting
10. Dogs must be kept quiet and under control while on club property during shooting, meetings or work activities.
11. There will be no hunting of plants or animals on club property.
12. Use only safe targets on club property. Glass, concrete, brick, porcelain, hanging steel over 5/8 inches thick or braced steel targets are **NOT** considered safe.
13. Guns shall **NOT** be fired in fully automatic **OR** burst mode on club property.
14. Remove and properly stow or dispose of all targets when you are through shooting.
15. Remove and properly stow all target frames and/or hangers when shooting is completed.
16. Host members are responsible for making sure that their guests follow club rules. Match officials are responsible for competitors following club rules.
17. Members are limited to 2 guests per day. Reference Rule #16 above.
18. Eye and ear protection are required by everyone on any active range.
19. Any member may invoke the one-hour rule, except during matches or formal practices.
20. Any member found to cause malicious damage to club property and/or otherwise violating club rules, may have his/her membership suspended pending review by the Board of Directors
21. Rubber, plastic or steel targets (no thicker than 5/8") shall show movement by swinging (chain or cable), flipping or spinning, and shall be placed in yardage impact area, **NO** ground placed targets shall be used on these ranges.

GENERAL RANGE RULES

1. **NO EXPLODING TARGETS ALLOWED ON CLUB PROPERTY.**
2. **NO** shooting before sun rise or after sun set.
3. **NO** shooting on **ALL** outdoor ranges other than .22 rimfire before 8:00 AM.
4. **EVERY** shooter must know that every round fired hits it's designated impact area. (No errant rounds)
5. Do not shoot diagonally across the ranges. Shoot at designated backstops from designated firing points.
6. **DO NOT** shoot at targets on the ground. Place all targets in such a manner so as to ensure the bullets hit the impact area and do not ricochet. Refer to Rule #12 in Universal Range Rules.
7. No vehicles are permitted on any firing lines or berms.
8. Any legal firearm and ammunition **EXCEPT** tracers, incendiary, 50 BMG and armor piecing may be used on club property. Some specific ranges have firearm and/or ammunition restrictions.
9. During work days, certain outdoor matches or when the military or police rent the range, all outdoor ranges may be closed to both scheduled and open shooting. See the club calendar or the club website at **www.milanrifle.club** for further details or other club activities.
10. Camping is allowed in approved areas only. Campsites must be removed in 72 hours unless the campers are participating in a match or other club activity.
11. Club owned metal targets may only be fired at with any pistol, muzzleloader or straight walled center fire rifles loaded with **ALL LEAD BULLETS**. Do not shoot at metal targets with center fire rifles loaded with jacketed bullets.
12. During a scheduled range time if no one is using the scheduled range, the conflicting range may be used. If someone arrives to use the scheduled range, the use of the conflicting range must cease immediately.
13. Only shotgun shells from 7½ to 9 size shot may be fired at clay birds or during any competition.
14. **ANY RULE** may be waived for certain organized events with prior Board approval.
15. A chamber safety flag **SHALL** be used in **ALL** firearms, both uncased and on the line before declaring the firing line safe.
16. No firearm shall be brought to or leave the firing line loaded. If you are carrying a concealed firearm and it is **NOT** the gun you are shooting it **MUST** remain concealed. If it **IS** the firearm you are going to shoot it can't be brought to the line loaded. It must be made safe **BEFORE** entering the range, either cased or boxed and have an empty chamber indicator installed.
17. All firearms must comply with range rules and range usage.

BENCH REST RANGE

1. Slugs larger than 10 gauge shall not be fired into the target boards.
2. If any shooter is using this range to practice Bench Rest shooting, sighting in a firearm or using a chronograph, then no rapid fire shooting is permitted. (Please be courteous)
3. The shooting positions are marked as to which impact area may be fired from each table.
4. Every shooter must know that every round fired hits it's designated impact area. (No errant rounds)
5. Rubber, plastic or steel targets (no thicker than 5/8") shall show movement by swinging (chain or cable), flipping or spinning, and shall be placed in yardage impact area, **NO** ground placed targets shall be used on these ranges.

Conventional Pistol Range

1. Any legal pistol may be used on this range with a maximum overall length of ammo of 1.9. inches.
2. Every shooter must know that every round fired hits it's designated impact area. (No errant rounds)
3. **NO rifles or shotguns** may be used on this range.
4. During scheduled shooting times, match-type practice will be observed unless all shooters present agree otherwise.
5. Targets must be placed in the appropriate hanger, in line with the appropriate firing point. **NO** steel, rubber, plastic, ceramic targets allowed on this range. **NO** ground placed targets shall be used on this range. Only paper/cardboard targets are allowed on this range.

WALLED RANGES

1. Any ammunition through .45 caliber with a maximum overall length of 1.9 inches may be used on this range.
2. Any shotgun may be used on this range.
3. **NO bottleneck rifle cartridges**, (anything that looks like a bottle) may be fired on these ranges.
4. Every shooter must know that every round hit its designated impact area, (no errant rounds)
5. Rubber, plastic or steel targets (no thicker than 5/8") shall show movement by swinging (chain or cable), flipping or spinning, and shall be placed in yardage impact area, **NO** ground placed targets shall be used on these ranges.

HIGH POWER (200, 300, 500 AND 600 YD) RANGES

1. 300, 500, and 600 yard ranges must be shot from a prone or from portable benches with support.
2. **NO** off hand shooting from 300, 500, & 600 yard ranges is permitted.
3. The 500 yard range is to be used for organized, preapproved events only.
4. Every shooter must know that every round fired hits it's designated impact area. (No errant rounds)
5. Any shooter using these ranges must display the active range sign on the road by the Benchrest range. Lift the sign up and rotate it 90 degrees.
6. Rubber, plastic or steel targets (no thicker than 5/8") shall show movement by swinging (chain or cable), flipping or spinning, and shall be placed in yardage impact area, **NO** ground placed targets shall be used on these ranges.

SHOTGUN AREIAL AREA

1. Only # 7 1/3 to #9 shot is allowed.
2. Areas that can be used are the old Biathlon range (area in front of the 600 yard impact area) **OR** the old small bore range. Targets in the old Biathlon Range **MUST** be thrown towards the 300/600 yard impact area. Targets thrown small bore range area **MUST** be thrown towards the 200 yard impact area. (No errant rounds)
3. Police up all empty hulls when done firing.

COMPETITION RANGE

1. Any pistol or rifle through .45 caliber with a maximum length of 1.61 inches may be used on this range.
2. Only shot shells from 7 ½ to 9 may be used on this range.
3. This range is to be used for organized events only.

Indoor 50 Foot Range Rules

1. Sign in before shooting and out before leaving. Exceptions are scheduled activities, practices and matches.
2. Hearing and eye protection are required when the line is hot.
3. **NO** center fire rifles.
4. Pistol caliber rifles are **NOT** allowed on the indoor ranges.
5. **NO** black powder shooting is permitted.
6. Any .22 rimfire cartridges **OR** centerfire pistol cartridge through .45 caliber with a maximum overall length of 1.61 inches may be used in this range.
7. Ammunition:
 - NO** shotgun shells
 - NO** centerfire rifle cartridges
 - NO** .17 caliber cartridges
 - NO** steel bullets (some steel bullets may be copper plated)
 - NO** armor piercing bullets
 - NO** BB's
8. **ALL** shooting shall be done from behind the line of fire, nothing in front of the firing benches.
9. **NO** one may go forward of the firing line before the line is declared safe.
10. Only paper targets in the appropriate hangers, placed in line with the firing points are permitted. Exceptions to this rule may be made for air pistol/rifle matches.
11. The large square frame target holders are for rimfire rifle and air gun use only. Stow these hangers before leaving.
12. When done shooting, pick up all trash and brass, sweep the entire range when the firing line is declared safe. Turn off all lights, fans and close all doors.
13. The exhaust fans shall be used whenever there is firing being done in the range.

Indoor 25 Yard Range Rules

1. Sign in before shooting and out before leaving. Exceptions are scheduled activities, practices and matches.
2. Hearing and eye protection are required when the line is hot.
3. **NO** center fire rifles.
4. Pistol caliber rifles are **NOT** allowed on the indoor ranges.
5. **NO** black powder shooting is permitted.
6. Any .22 rimfire cartridges or centerfire pistol cartridge through .45 with a maximum overall length of 1.61 inches may be used in this range.
7. Ammunition:
 - NO** shotgun shells
 - NO** centerfire rifle cartridges
 - NO** .17 caliber cartridges
 - NO** steel bullets (some steel bullets may be copper plated)
 - NO** armor piercing bullets
 - NO** BB's
8. **ALL** shooting shall be done from behind the line of fire, nothing in front of the firing benches.
9. **NO** one may go forward of the firing line before the line is declared safe.
10. Only paper targets in the appropriate hangers, placed in line with the firing points are permitted. Exceptions to this rule may be made for air pistol/rifle matches.
11. The large square frame target holders are for rimfire rifle and air gun use only. Stow these hangers before leaving.
12. **DO NOT** try to adjust the heating, it is in-floor heat and is set where it is most practical.
