Vintage Military Bolt Gun Match September 10, 2022  
Fred Funk Sr. Chairman

Thanks for coming out to shoot, this was our last shoot of the year. It was a little cool, and we had a slight breeze, it was a nice day for having a Match. Mother Nature was good too us this year, we got all of the Match's in and most of the weather was decent, it could have been worse. Thanks for all of thse who came out and support the Match's . We will go for 6 match's again next year. Again thanks for your support. See you next year.
